Jubilee Celebrations at Walford Hall Club

Friday 27th May & Tuesday 31st May (Walford Hall Clubs)

We are going to make decorations and party headgear for the Jubilee celebrations.

There will also be some party food, games and fairy cake decorating on the day.

Collective Sculpture Project (WHC)

Locally based artist Petre Nikoloski is going to be popping in over the next few weeks and inviting us to contribute to a sculpture he is hoping to create in Weldale Street.

Hugh Walford and Mary Burnett History Project

Researchers from The University of Reading have contacted RAB as part of a project researching people buried in Reading's old Cemetery. They are particularly interested in researching the lives of people with disabilities so are looking for information about the Reading Blind Aid Society (the original version of the charity, run by Mr Walford and Miss Burnett). Do let us know if you have any documents or information about the charity from before 1926 that might assist the University.

The RAB Newsletter needs YOU!

We are looking for a volunteer / team of volunteers to redesign of the RAB Newsletter and write future issues.

This is a fun project with lots of opportunity for research and creativity. Please contact info@rabsightloss to help or for more information.
